

Dear Parents and Guardians,

We know that things are very uncertain right now and constantly changing, but we wanted to let you know a little about what's going on in 5th grade in regards to online learning.

All students have Google email accounts through the school that we have been using since the beginning of the year. With these accounts comes many other Google tools we can utilize. The main one we will be using to deliver instruction is Google Classroom. Students know how to get there, but if there is any confusion follow this link: <https://classroom.google.com>

To login students use their email, which is typically their firstinitiallastname@sjheralds.org (Ex. acollins@sjheralds.org) All students passwords were reset to welcome1! They will be prompted to change it following their first login.

Since all instruction will now be online we added your children to several Google Classrooms (1 for each subject). In doing so it should have sent them an email to accept the invitation to that class. Each student should have the following classes when they login to Google Classroom:

ELA
Math
Science
Social Studies
Religion
Guidance

If your child does not have access to these classes please first check their email, and then contact us.

Each day a lesson will be posted in ELA and Math at 7:00am and the work will be due at 11:59pm that night. Science, Social Studies, and Religion will be posted on Monday and should be completed by Friday at their own pace.

The following is a suggested schedule to make sure students complete their work

ELA	1 hour- 1 ½
Math	1 hour
Science Social Studies Religion	Will be assigned on Mondays and due on Fridays. To be complete at your own pace

We will also be having discussions on the Google Classroom Stream at these assigned times and days to answer any student questions with classwork and have discussions.

Students should be on ELA and Math Classroom at these assigned times:

Tuesday- ELA	9-10am
Tuesday- Math	10-11am
Friday- ELA	9-10am
Friday- Math	10-11am

We will continue to use Remind for important announcements and communication. This is the easiest way for us to communicate new information to you and contact each other easily. The following people have not signed up yet:

Parents/guardians of:

Charity Ayden Alyssa Isaac Bella Emily Ryland
Kylie Milah Isaiah Noelia Connie

Please sign up by going to <https://www.remind.com/join/sjsfifth> or text @sjsfifth to 81010

We know that this is a stressful time and the only thing we can all do is try our very best. This is all new to everyone, including us. We appreciate your support and understanding as we begin this new journey.

Sincerely,

Mrs.Collins
